Dear Vendor,

GOOD NEWS! Our sister Soroptimist Club gave our club permission to take their place this year for the annual Labor Day Outdoor Craft Fair at CV Starr Center in Fort Bragg.

You may have heard the annual Labor Day craft fair was cancelled, but that was from the Fort Bragg Club. Sorry for the confusion. Due to the Pandemic, they did not anticipate having enough to organize the event by themselves. So we discussed combining club members and now we are ready for you. The city also highly encouraged this event continue, as it will be a huge weekend in Fort Bragg.

We have a lot of experience and history with craft fairs to make this a success for you. Labor Day is a huge tourist weekend, and the weather is perfect in September. We are looking for every kind of vendor: craft, food, rides.

The craft fair will be heavily advertised! We will have banners and signs posted everywhere, ads in the newspaper, advertising on the radio, listed on local calendars, and posted on all the tourist websites.

The plan is to set up Saturday morning Sept 4 between 6 and 9am, and the fair will be open 9-6 Saturday and 9-4 Sunday. We will have great signage and advertising to bring people to you.

We're very excited to offer you the opportunity to participate. Here's how you can participate:

Crafters may reserve a space by filing an application and paying \$100 to Soroptimist of Noyo Sunrise by check or credit card (via our website). Each space will be 10x10, with a limited number of larger spaces that may be sold at \$10 per linear foot extra. The planned layout is on the [craft webpage](#).

You may camp overnight in your booth. We will hire security for Saturday night.

If you would like to participate, see our [website for more information and the application](#), or email us at tess@alumni.ucdavis.edu and we'll send it to you.

Sincerely,

Tess
