# Mendocino County Quilt Trail

## What is a Quilt Trail?

It's an imaginary clothesline of interconnecting barns and other buildings, decorated with quilt squares and painted by women across the landscape. There are quilt trails in many places in the US, and it is our vision to include Mendocino County.

## What does a Barn Quilt look like?

They are attractively painted quilt squares, from a choice of designs and colors, placed at your own business, home, barn, building, or other place you might want to hang one.

## Where are Quilt Trails?

There are Quilt Trails in over 43 states and three Canadian provinces. Together they create a large network of trails, with well over 3000 barn quilts just waiting to be discovered.

The closest Quilt Trail to Mendocino County is the Lake County Quilt Trail, started in 2010.

## Who Benefits? Everyone!

**Community Pride!**

**Attract low-impact tourism**

**Beautify old buildings**

**Celebrate women's contributions**  
to our rural communities & agriculture  
and

**Support the Soroptimist Mission:**  
*Improving the lives of women and girls,  
locally and globally*

(see other side for contact info)

## How To Get Started

Obtain a Quilt Block Application from Soroptimist International of Noyo Sunrise. A club member will contact you in 1-4 weeks.

Work with the club to personalize your quilt block design, colors, name, and location.

## What are the Quilt Block Options?

Design features include a choice of colors and patterns in bright colors, available in three sizes;

**2' x 2' = \$200**

**4' x 4' = \$300**

**8' x 8' = \$500**

## How Long Does it Take?

*The whole process takes no more than a month or two, depending on design, placement, and any other preferences to consider.*
